

# *Dandelion Song*

Sing to the tune of 'Twinkle Twinkle Little Star'

Little flower clocks all in a line  
Shall we pick one to see the time?  
First we stretch our lips like this  
And gently blow a little kiss.....

Softly softly off they go -  
How many times do we have to blow?

The next part is spoken:

One.....(blow) Two.....(blow) Three....(blow)  
What's the time? It's time for tea
